Study 1: The Bait of Satan by John Bevere

Ted Gammell, Kyle Petersen, Kirk Cook

Are you been ensnared by bitterness, seized by anger, or held captive by resentment, all because someone has offended you?

The Bait of Satan exposes one of the most deceptive snares Satan uses to get believers out of the will of God--offense. This trap restrains countless Christians, severs relationships, and widens the gulfs between us. John Bevere shows you how to escape Satan's grip, avoid a victim mentality, practice forgiveness, experience reconciliation, and remain free in Christ. Be inspired to stay free from offense and its destructive power. Don't let anyone affect your relationship with God!

Study 2: "Oneness Embraced: Reconciliation, The Kingdom, and How We are Stronger Together" by Tony Evans

Ryan Bartel, Howard Fischer, Karl Madden

With the Bible as a guide and heaven as the goal, *Oneness Embraced* calls God's people to kingdom-focused unity. It tells us why we don't have it, what we need to get it, and what it will look like when we do. Weaving his own story into this word to the church, Tony Evans tells of a life spent between two worlds. As a young theologian, he straddled black, urban culture and white, mainstream evangelicalism. He offers seasoned reflections on matters of history, culture, the church, and social justice.

This call for unity is as timely as ever. If the church practices oneness, America will have a guide for becoming the one nation under God it declares itself to be.
